

## Detail Code Information

### ecuBIC Query [Detail Code Security Access by User](#)

Enter the user's PirateID to view detail codes that the user has been granted security.

### ecuBIC Query [Detail Code List by ORGN](#)

Enter the six-digit ORGN to view detail codes and the FOAPAL assigned.

### ecuBIC Query [Detail Code List](#)

This ecuBIC Query list departmental detail codes.

### [Detail Code Request Instructions](#)

This list includes departmental detail codes.

#### \*\*\*\*NOTE:

- ❖ Users with AR security will be granted security to the ecuBIC queries listed above.
- ❖ Detail Code security is based on ORGN security. The user selects the ORGNS on the Banner Security Request Form and the detail codes are connected to the ORGNS.
