Overview

The State of North Carolina has contracted with Bank of America for Visa card services. The ECU purchasing card (ProCard) is a corporate Visa credit card in which the liability rests with the University instead of the individual cardholder. The ProCard is issued to an employee, empowering this person to purchase goods and services on behalf of the University. This program has been established to allow rapid purchase of low dollar (less than $5,000) goods and services while simultaneously reducing paperwork and handling costs. The ProCard does not change what you can buy, but how you pay for it.

Contacts

The ECU ProCard Office provides support and assistance to cardholders and departments in the distribution and processing of new card applications. We process all changes in cardholder information, setup training in Cornerstone, update all documentation and audit all aspects of the program.

ProCard Manager: Jennifer Jones  ProCard Email: procard@ecu.edu
ProCard Analyst: Brittany Harward  ProCard Phone: 252-737-5545

Procard Software

**CHROME RIVER**

Chrome River is an accounting software application designed to automate and streamline Accounts Payable processes for travel expenses, employee reimbursements and corporate credit card transactions. This software product is designed to incorporate University travel rules and approval processes. Chrome River will replace the Online Travel system and the ProCard reconciliation process in WORKS.

**WORKS**

Works is a web-based, user-friendly electronic card payment management service. Access to Works will be available to all cardholders and requested by departmental approvers as needed. The only role open in Works will be the auditor role. The Auditor role allows the user to view data for their scope of authority and export company reports as needed. Works will specifically be a research tool.
Roles and Responsibilities

CARDHOLDER
A permanent or time-limited employee of ECU whose legal name appears on the ProCard and who is accountable for all charges made with the card.

The ProCard received by the cardholder has his/her name embossed and shall only be used by the cardholder. No other person is authorized to use the card or account number. The cardholder may make transactions on behalf of others in the department, but the cardholder is responsible for all use of his/her card.

Cardholder responsibilities also include the following:
- Awareness of the rules and guidelines applicable to each FOAP that you are using.
- Allocate and approve transactions electronically in Chrome River within 30 days of the posted date.
- Review the cardholder’s transactions and receipts to ensure they follow ProCard policies and procedures.
- Review to be sure all receipts are itemized with pricing for every transaction.
- Notify the ProCard Office of any employment changes, including a leave of absence, department transfers and resignations/retirements.

DELEGATE
A user that is assigned by the expense owner or traveler to create and submit reports on their behalf in Chrome River. This only applies to reports in Chrome River, this does not give a person permission to use another person’s card.

Delegate responsibilities include the following:
- Awareness of the rules and guidelines applicable to each FOAP that you are using.
- Allocate and submit expense reports electronically in Chrome River within 30 days of the posted date of the transactions.
- Review the cardholder’s transactions and receipts to ensure they follow ProCard policies and procedures.
- Review to be sure all receipts are itemized with pricing for every transaction.
- Report any unusual cardholder spending or discrepancies to the ProCard Manager to investigate.
- Assist cardholder with correcting issues, then submit the expense report in Chrome River.
- Notify the ProCard Office of any employment changes, including a leave of absence, department transfers and resignations/retirements.
**PROCARD ADMINISTRATOR**

A role assigned to a user that authorizes the user to perform all administrative and account maintenance tasks in Works. This role is assigned to all members of the ProCard Staff.

The ECU ProCard Staff is responsible to:

- Enforce ProCard policies and procedures and provide updates as needed.
- Review transactions and receipts for compliance with State Purchasing and ECU ProCard rules and regulations.
- Audit for completeness and adequacy of receipts and documentation.
- Provide support and assistance and act as bank liaison for cardholders, delegates and approvers.
- Cancel cards or suspend cards to enforce policy.
- Process new and replacement cards.
- Make the monthly payment to Bank of America.
- Maintain access privileges for Works.
- Provide ProCard training to the University.

**Policies & Procedures**

**ACCOUNT MAINTENANCE**

To make any changes to your ProCard Account, you will need to complete an [Account Maintenance form](#) and submit the completed form to [procard@ecu.edu](mailto:procard@ecu.edu). All account maintenance requests must have cardholder and supervisor approval.

**ANNUAL REVIEW**

The ECU ProCard Office holds an annual review of cardholders to ensure that cardholder information is on file correctly and that privileges are appropriate. Your cooperation is required to ensure accurate data, security and appropriate oversight of the ProCard Program.

**ATTACHMENTS**

Attachments include receipts, registration information, maps, fliers, invitations, emails, agendas, participation lists, Third Party Lodging Agreements, Extended Stay Travel/Combined Personal and Business Travel Forms, and any other backup information or supporting documentation. Please do not scan in any personal identifying information (social security numbers, credit card numbers, etc.) or patient related information that would be subject to HIPAA.
BEVERAGES

Canned, bottled, and fountain drinks sold or distributed on campus, in university dining halls, cafes and convenience shops, as well as at all athletic concessions, special events, and in vending machines are covered under the Coca-Cola contract. It covers all soft drinks, juice, and bottled water that is sold, purchased by departments or organizations to be given away at events or activities, sampled or distributed on ECU property. With the exclusivity contract, Coca-Cola is the official soft drink of East Carolina University so Coca-Cola products should be the only beverages purchased with the ProCard.

BILLING ADDRESS

Vendors may require a billing address. The billing address is set by the office location on your ProCard application. The general billing addresses that we use are:

East Campus – 1000 East 5th Street, Greenville, NC 27858

West Campus – 600 Moye Blvd, Greenville, NC 27834

Some vendors have started a stricter address policy and will require the exact address that we have on file for you. If the general address does not work, please contact the ProCard Office for assistance.

The ProCard Office has three primary spending levels for ProCards; ECU-3, ECU-4 & ECU-5. There are also three spending classes; P, E & T. P is for PORT only transactions, E is for any non-travel transactions and T is for all transactions including travel.

There are an unlimited number of transactions up to the daily and/or monthly dollar limits. A cardholder's spending level is determined by his/her department head.

The ProCard must be used ONLY by the named cardholder. There are no departmental cards and no sharing. All card spending must adhere to state and university purchasing guidelines. Giving your card or card number to another person or using someone else's card may result in disciplinary action including but not limited to revocation of ProCard privileges and/or termination of employment. You may, when necessary, have someone else pick up the items from the vendor; however, this person is not authorized to sign the credit card sales slip.
All purchases must follow University and ProCard policies and procedures and must strictly adhere to the funding authorities’ policies. Some funds are more restrictive and may not allow certain purchases. State funds are very restrictive. Please refer to the University Budget Office for allowances. Purchases from Grant funds must adhere to all Contracts, Grants, and other agency guidelines. The same is true for Special funds and Foundation funds. The fund authority form in your department will show guidelines on purchases. The ProCard is strictly for University business. Purchases must be for the use and benefit of the University.

**CARD REINSTATMENT POLICY**

Before consideration can be given to reinstate a card that has been cancelled due to any compliance issues, the following objectives must be met:

- All delinquent reports and documentation must be submitted in Chrome River
- Cardholder will be required to meet with the ProCard Manager to review the compliance issues that caused the cancellation.
- The cardholder will be required to re-apply by submitting a new ProCard application that has been approved by his/her Department Head.

**CARD SECURITY**

Always keep your procard in a secure place – treat it like cash. All ProCard related paperwork such as forms, statements and receipts should also be kept secure and shredded before discarding. Cardholders should monitor their charges regularly for vendor errors and fraudulent charges. Any concerns should be reported to the ProCard Manager immediately.

Per PCI Security Standards, a credit card number should never be emailed. Email is NOT a secure method to send or receive credit card information. This is true whether you type the card information in the body of the email, or it is included in an attachment. Bank of America credit card statements do show your full credit card number near the bottom of the page, so the statement should not be sent via email without redacting the credit card number. A vendor should never request that your credit card information be emailed to them.

Should your card be stolen by anyone, please contact the appropriate police department immediately. Afterwards, you will want to contact the ProCard Office so that your card can be suspended.

**COMPLIANCE**

The delegation of authority to purchase goods using the card is a privilege that automatically ceases upon separation from the University. ECU Financial Services reserves the right to revoke and cancel any ProCard(s) for failure to comply with the policies and procedures of the program. ECU Financial Services further reserves the right to evaluate the seriousness of any violation and may allow the department to provide an explanation, which may be used as the determining factor to whether card privileges continue or not. ECU Financial Services has the right to exercise
appropriate action as deemed necessary. Intentional misuse or abuse of the ProCard may result in the immediate revocation of privileges and may be cause for disciplinary action up to and including termination of employment.

The ProCard Office violation policy is as follows…

1st violation – emailed reminder of policy

2nd violation – emailed reminder of policy (supervisor copied); card suspension of one (1) week

3rd violation – emailed reminder of policy (supervisor copied); card suspension of one (1) month; possible revocation of card privileges

CONTRACTS

When a State or University contract is available, the contracted supplier must be used. Contracts may be reviewed by visiting the NC Department of Administration Purchase and Contract home page at http://www.doa.state.nc.us/PandC; by reviewing the ECU Materials Management home page at http://www.ecu.edu/purchasing; or by calling the Materials Management Department at 328-6434 to speak with the appropriate purchasing agent.

DELINQUENT EXPENSE REPORTS

Approved expense reports must be submitted in Chrome River within thirty (30) days of the post date of the transaction. If the approved expense report is not received within thirty (30) days of the post date, the card will be suspended. The cardholder and supervisor will be notified of the suspension. Extenuating circumstances may be considered on a case-by-case basis by the ProCard Manager upon receipt of an emailed explanation.

DISPUTED TRANSACTION

Transactions appearing on the monthly statement from the bank may be disputed up to sixty (60) days from the date of the statement. If a charge is not recognized by the cardholder or some other problem arises, the first step is to contact the vendor for information regarding the charge. Contacting the vendor saves time and usually solves most issues. If you are not satisfied with the outcome from the vendor, contact the ProCard Office to begin the dispute process. The ProCard Office will then instruct the cardholder on how to file the dispute with the bank. The bank will research the discrepancy and credit will be issued if, in fact, the charge is not valid. Research by the bank usually takes 3-4 weeks. If a credit is issued, it will not occur until the investigation is completed. You will need to notify the ProCard Office if any update to the situation has occurred.

DOCUMENTATION AND REVIEW

Original, priced itemized invoices/receipts are required for each ProCard transaction and are to be attached to the transaction in Chrome River. These receipts are used to describe what was purchased, to verify transaction amounts, and to document the business purpose served by the
purchase. Itemized invoices/receipts must clearly provide the following details:

Vendor

Description of item(s) and quantity

Unit price

Tax, shipping, or freight

Total transaction amount

Packing slips are accepted only if they include all the above details. If a vendor’s invoice/receipt only lists a part number, the cardholder is responsible for including descriptive information and/or writing a brief description beside the part number so that anyone reviewing the documentation will know what it was the cardholder purchased. Receipts for food and all other consumable items must be itemized, documented with the business purpose and funding source. Food and all other consumable items must also include an attendee list matching the number of items purchased. Documentation for registrations should include a registration form, pamphlet, brochure, or printed materials from the internet that describes who is attending, what the conference is, where/location, dates of conference, and how all registration fees were derived. Documentation for airline, bus, or train tickets need to include a travel itinerary with traveler’s name, cost of ticket, and dates of travel.

**DOCUMENTATION PROVIDED BY THE BANK**

Each month the bank provides two types of documentation on card activity. First, Chrome River provides a daily electronic feed, which transmits all transactions posted. Second, each cardholder receives an individual printed statement from the bank which lists all activity for the month. This statement follows the format used by most banks and is straightforward and easy to follow. The paper statement is only for the cardholder’s review and should not be scanned or sent to the ProCard Office.

**EMPLOYEE SUSPENSION/TERMINATION**

Fraudulent or willful misuse of the card, including willful use of the card to make personal purchases even if you intend to reimburse the University or the use of the card for inappropriate expenditures may be cause for immediate cancellation of your card privileges and may result in disciplinary action, up to and including termination of employment.

**FOUNDATION FUNDS**

The ProCard can be used for expenditures being paid using Foundation funds. You must ensure that the purchase/payment is allowed by the Foundation’s stewardship policy, as well as the ProCard policies. It is the purchaser’s/department’s responsibility to verify that funds are available to cover the purchase. All transactions are uploaded to Banner nightly, once the expense report is fully approved in Chrome River.
GIFT CARDS PURCHASES

The purchase of gift cards/gift certificates, incentives, or prizes should have prior approval via a completed Authorization for the Purchase of Gift Cards/Gift Certificates, Incentives, or Prizes form.

INACTIVE ACCOUNTS (CARDS)

To protect the security of the program, any card that has NOT been used for twelve (12) months is subject to cancellation. The cardholder will be contacted to ensure he/she still possesses the card and to see if any exceptions may be made based on appeal by the cardholder.

A quarterly report is used to identify cards having no activity for a 12-month term. The ProCard office will contact the cardholder to make sure he/she still has the card and to justify keeping the card account open.

INCOMPLETE EXPENSE REPORT

Expense reports are incomplete for any of the following reasons: missing invoices/receipts, missing prices or descriptions, or receipt totals do not match transaction totals.

INTERNATIONAL TRANSACTION FEE

An international transaction fee is a fee from Bank of America when a transaction is processed with an international vendor. The international transaction fee is a legit charge and it is approximately 1% of the purchase price. The fee should be coded to the same FOAP as the transaction. There will be no documentation for this type of transaction.

LEAVE OF ABSENCE

The ProCard Office should be notified anytime a cardholder will be away from their desk for an extended period. This protects the department and the university from potential fraud.

MAKING A PURCHASE

Before making any purchase, the cardholder should determine if the item is available on State Term Contract. If the item is not on a State Contract, be sure the pricing is the best you can obtain. The ProCard should be used with State contract vendors, when available. Some contracts are mandatory, so you will need to make sure you are purchasing through the correct contract vendor. State Contracts can be found at http://www.doa.state.nc.us/PandC. If the items are not on State Contract, check the debarred vendor list at https://ncadmin.nc.gov/documents/nc-debarred-vendors. It is the cardholder’s responsibility to inform the vendor at the time of purchase that ECU is exempt from North Carolina sales tax. ECU’s tax-exempt number is printed at the top of each ProCard. If a cardholder is charged tax, it is the cardholder’s responsibility to contact the vendor and request a credit for tax to be applied back against their card. Any tax will be deducted from the departmental budget. A copy of the Certificate of Exemption can be obtained by contacting Financial Services at financialservices@ecu.edu.
Always give the supplier your name, department, phone number, and complete delivery instructions. When using the ProCard as the payment method, purchases must be shipped directly to a campus address.

PHONE - When you call the vendor, state that you are calling from ECU and that you will be making your purchase on a VISA credit card. Give the supplier your name, delivery address, phone number, and complete delivery instructions. Request that an itemized receipt and/or packing slip that shows dollar amounts be sent with the purchase or to you via email.

FAX - Follow any applicable steps from the above instructions. Retain a copy of the fax, and the fax confirmation, for your records.

MULTI-YEAR PURCHASES

When purchasing subscriptions or memberships, the ProCard can only be used for annual fees and the subscriptions must be mailed to an ECU campus address.

NAME CHANGE

The name on the Procard should always match the cardholder’s legal form of identification. If a cardholder’s name changes for any reason, they should first update their information with HR and then contact the ProCard Office. The ProCard Office will ask that the cardholder complete a ProCard Account Maintenance form and submit to procard@ecu.edu.

OBTAINING A CARD

In order to obtain an ECU ProCard, a permanent employee must complete the ECU ProCard Application, review the two policies attached to the application and complete the required online trainings. The policies attached to the application are the cardholder agreement and the travel upgrade, signing your application confirms that you have read both policies. Once the ProCard Office receives the completed application, your application will be processed, and you will be notified when the card is ready to be picked up. The card must be picked up by the cardholder and they must have a picture ID at pickup.

ONLINE PURCHASES

The University does allow online purchases, however, be sure that the website you are using is secure [look for https in the URL or a closed lock at the bottom of your screen] before providing your card number. Be sure the vendor will provide you the required priced, itemized receipt. Do not use an unsecured web site. Department policies and good judgment should be used when ordering over the Internet. All purchases made with the ProCard must be shipped to an ECU campus address.

PAYMENTS TO INDIVIDUALS

Payments to individuals are NOT allowed on the ECU ProCard.
PAYMENTS VIA THIRD-PARTY

A third-party purchase is when payment to a vendor is processed via an online credit processing company such as PAYPAL, Verisign, Authorizenet, Paymybill.com, etc. Cardholders are not restricted from using third-party services but are responsible for making sure the business is legitimate and that any internet sites are secure. Cardholders are required to submit the confirmation of payment from the third-party vendor as well as submit documentation about the order from the original vendor. The order information from the original vendor must match the payment information from the third-party vendor.

PERSONAL EXPENSE

The ProCard is NOT to be used for personal purchases under any circumstances, even if you intend to pay the University back. Intentional abuse of the card is cause for immediate cancellation of card privileges and may be cause for termination of employment. Unintentional use as determined by the ProCard Manager will be handled on a case-by-case basis. Repeated offenses, unintentional or otherwise, is cause for card cancellation.

If a personal expense inadvertently occurs, the personal transaction should be assigned in Chrome River as follows:

1. Assign the personal expense to the correct category (supplies, services, etc.)
2. Click the Appropriate Tile
3. Apply Personal ProCard Transactions
4. Select the expense type
5. Enter Amount, Description, Required Info
6. Use FUND/ORGN/PROG to 140299-230606-0000
7. Add Attachments
8. Click Save

Once the ProCard Office sees the transaction in the ProCard FOAP (140299-230606-12451-0000), the expense owner will receive an emailed invoice with the link to the ProCard U-Store for payment. If payment is not received in a timely manner, the ProCard could be suspended. ProCard reimbursements should not be collected in the department. ProCard personal expenses will not reflect in the departmental budget. The personal ProCard transaction will be tracked as a receivable in FOAP 140299-230606-12451-0000.

POSTAGE

Postage is allowed on the ProCard. This includes stamps, priority, and express mail. Stamps should only be purchased in small quantities, as they are needed. The USPS does provide detailed receipts and labels with destination, which should be obtained at the time of your purchase and submitted with your expense report. Your bulk mail should continue to be processed by University Mail Services.

Express shipping is allowed on the ProCard. This includes UPS, FedEx, and DHL. The ProCard
may be used with businesses that offer these services such as The UPS Store, The Mail Box, FedEx Kinko’s, Staples, etc. as these vendors do provide priced, itemized documentation. Departments that are invoiced monthly for express services should pay these invoices on the ProCard. Departments that do not have established accounts with express vendors should not call UPS, FedEx or DHL to come to your department for a pickup. The vendor cannot leave you a priced, itemized invoice. A “to/from handwritten label” that is not accompanied by the vendor’s priced, itemized receipt is NOT complete documentation.

**PURCHASES OF CONSUMABLE ITEMS**

Individual meals and meals subject to the per diem rates (i.e. meals while in travel status) are NOT allowed to be paid using the ProCard. In general, State and Grant funds cannot be used for these types of purchases. If there are any questions regarding the fund approval, be sure to get all approvals, in writing (email is fine), from the appropriate funding office. The funding authority form may work as well. If a charge for these items posts to your account to inappropriate funds (such as State/Grant funds), it will require a correction by Banner inter-departmental transfer. Grocery store purchases of drinks, cookies, trays (deli, fruit, cheese, and vegetable) and cakes for certain official events are allowed, as well as group meals from restaurants and caterers if approved by the funding source. Meals that are included in a basic conference registration fee or approved event are allowed on the ProCard; if a meal is included with the registration fee or approved event, you may not request per diem with a travel reimbursement.

Each time you purchase any consumable item, you must attach a fund-approved detailed business purpose with your itemized invoice/receipt, regardless of the source of funds. Please send agenda, event flyers, meeting announcements, and attendee lists (except for minors and/or patients).

When planning an event, you will need to keep in mind that all beverages, except for coffee, tea, and milk, must be brands distributed by Coca-Cola Consolidated. This includes all juices, energy drinks, sodas, as well as all bottled water.

**RECONCILIATION**

Reconciliation of purchases by the cardholder is the final step in the ProCard process. It is also one of the most important steps because this is where the cardholder verifies the legitimacy of the purchase and provides itemization and pricing of all items purchased.

Chrome River - cardholders are required to review, validate and allocate purchases within thirty (30) days of the post date. A quick guide with instructions on a ProCard expense report can be found at Expense-ProCard quick guide.

Lines of credit will be automatically restored on the 16th of each month.

**RECORDS RETENTION NOTICE**

Expense reports and receipts that are approved in Chrome River will be held for a period of three (3) years in xtender. Cardholders are responsible for retaining copies of documentation within
their department to make sure the ProCard Office has received all backup and to complete an adequate audit cycle, which the Internal Auditors recommend being the current fiscal year plus one completed fiscal year. These files are to be kept secure and confidential as card account numbers may be visible. All discarded ProCard documentation must be destroyed by shredding to protect sensitive information.

**REPLACEMENT CARD**

If a cardholder receives a replacement card for any reason, we ask that they return their old card when they pick up the replacement card.

**RETURNS, DAMAGED GOODS, CREDITS**

Items purchased with the ProCard will periodically need to be returned for one reason or another. In some cases, there may be a restocking fee. The ProCard may be used to pay this fee if it does not exceed any of the card limits.

DO NOT accept checks, cash or cash equivalents (i.e. gift cards) for any returns.

**SPLITTING TRANSACTIONS**

Cardholders are reminded that splitting transactions to remain within the established purchase limit per transaction is prohibited and doing so may result in loss of ProCard privileges and/or disciplinary action up to and including termination of employment. Each conference registration, examination fee, lodging payment, air, bus, or train fare is an individual transaction; registering multiple conference attendees, paying multiple lodging or buying multiple travel tickets is not considered to be a split transaction. This includes having several cardholders within a department pay for a portion of an order. If you have a purchase that is higher than your limit, please contact the procard office at procard@ecu.edu.

**SUSPENSION OR CANCELLED PROCARDS**

ProCard(s) may be suspended or cancelled if any of the following occur:

• Fraud or personal use
• Splitting orders to avoid dollar limitations
• Noncompliance with State contracts and/or Purchasing policies and procedures
• Delinquent or incomplete expense reports
• Unauthorized expenses or use of card
• Travel violations
• A card is determined to be of no use to the cardholder

Using someone else’s card, allowing others to use your card, and failing to secure your card are not allowed and may be cause for card cancellation.
TECHNOLOGY PURCHASE

When using the ProCard as the payment method for software items, the ECU ProCard Technology Request form must be completed in PORT. Per ITCS, the form must be completed in all situations (new or renewal) when software or data services are purchased. This includes cellular services and cellular equipment. Once approval is obtained, you are permitted to use the ProCard as the payment method for the software. The form should be included with the transaction documentation that is attached in Chrome River. The form can be found on the PORT home page.

TERMINATION OF EMPLOYMENT

Your card remains the property of ECU and must be surrendered immediately upon termination of employment or upon the request of either your supervisor or the ProCard Office. This card must be cancelled before the employee leaves.

TRAINING

All new and transferring cardholders must complete the most up to date trainings. The ProCard Office requires two trainings, ECU ProCard Training and Banner Finance Training for New Users. Both trainings are offered online through Cornerstone and employees can self-register. Once the employee has completed both trainings in Cornerstone, our office will issue the ProCard to the employee. You can access the Cornerstone training at go.ecu.edu/procardtraining and go.ecu.edu/BFTnew.

TRANSFER TO ANOTHER DEPARTMENT

If the cardholder transfers to another department, the cardholder must notify the ProCard Office. The card will be suspended until the cardholder submits a completed Account Maintenance Form or returns the card to the ProCard Office. If a cardholder needs the card after transferring departments, the cardholder must complete the Account Maintenance Form to update their account information. It is the cardholder’s and approver’s responsibility to inform the ProCard Office when a cardholder has changed departments.

TRAVEL RELATED EXPENSES

Please see the ECU Travel Procedures Manual for the complete travel policy. When the ProCard is used for travel-related items, the correct travel request number must be written on each travel receipt and/or provided to the ProCard holder. The ProCard may be used for all approved ECU travel expenses, excluding per diem meals, while in travel status. Reimbursement requests for meals must be handled through the proper Travel Reimbursement procedure. Participation in the travel upgrade is by application only and must be approved by the cardholder’s Department Head. This program is for staff/faculty that travel for ECU business purposes and for staff/faculty that are responsible for arranging travel for other ECU employees on a frequent basis. If your department has staff/faculty members that rarely travel, a cardholder should be designated to make payments on behalf of others. DO NOT request reimbursement through the travel
reimbursement process for any expenses that were charged to your ProCard. Note on the expense report that it was paid via ProCard. A travel pre-approval must be completed prior to incurring any expenses related to that travel.

Registration fees are required to be paid on your ProCard, if the vendor accepts VISA. Extra events/items are only allowed to be added to the registration fee if items are business-related and fund approved. Meals cannot be paid with the ProCard unless included in the registration fee or if combined with an approved event. Optional, non-business related; meals that are added to registrations must be paid with personal funds. If fund-approved, you may request reimbursement through the travel reimbursement process. Otherwise, you may receive per diem. Documentation for a registration may include a brochure, registration form, or confirmations printed from the Internet.

The ProCard may be used by the named cardholder to pay for lodging, including occupancy tax, business-needed Internet and parking, for travelers on approved ECU business.

If a cardholder books lodging for another traveler, the cardholder will need to be sure the hotel knows that the traveler will not have the credit card when they check in/out. The cardholder may be required to complete a 3rd party reservation form with the hotel. Alert the hotel that only lodging expenses, business-needed Internet and parking, if required at the hotel, are allowed.

Lodging accommodations that are with a 3rd party (any lodging that is not a hotel/motel) must have prior approval in addition to the ProCard approvals. A 3rd Party Lodging Form must be completed and approved prior to booking and attached to any expense report that reflects the lodging charge. The form, as well as details can be found here: https://purchasing.ecu.edu/forms/. Non-business (personal) expenses such as, but not limited to, incidentals, movies, personal laundry, personal phone calls, room service, alcohol, trip protection/insurance, choice seat fees, early check-in or expenses for family members MUST be handled on your personal credit card and NOT an ECU ProCard. ECU is exempt from NC sales tax, not occupancy tax. For each lodging transaction, the documentation should include the following: receipt (itemized and showing dates), agenda or itinerary, and business purpose.

The ProCard may be used to pay for air, bus and train fare, as well as taxis and shuttles for travelers on University business. Shuttles and taxis are allowed for official state business. Parking Fees, Tolls and Storage Fees can be paid when practical and incurred while traveling on official state business. For air, bus, train fare, if you are extending your business trip to include vacation time, you MUST obtain two quotes: One showing how much your ticket would be if you only go for the required days and another showing how much the ticket is with your extra days. YOU MAY ONLY PAY ON THE PROCARD IF THE TICKET IS THE SAME AMOUNT OR LESS. The “Combined Business and Personal Travel Memo” must also be completed and that form can be found at https://financialservices.ecu.edu/travel-office. The completed form should be submitted to the ProCard Office with the receipt, as well as the Travel Office with the travel request. The documentation proving the comparison should be sent as backup to the transaction.
Original priced documentation that shows the dates of travel, the cost of the ticket, the travel itinerary, or backup that shows paid in full must be submitted with your expense report. DO NOT request reimbursement through the travel reimbursement process for any expenses that were charged to your ProCard. Note on the TRA that it was paid using the ProCard. NO insurance or trip protection allowed. NO choice or upgrade seat fees allowed without a medical reason that is documented and approved by an ADA coordinator. Contact the Department for Disability Support Services. If the airline tries to get you to select a seat for a fee, skip over the selection process and the airline will automatically select one for you. One personal bag each way is allowed. Documented business purpose is required for more than one bag. Cardholders and/or Approvers are responsible for making sure transportation is coded to the correct object code during the allocation period.

The ECU ProCard cannot be used to purchase fuel for a personal vehicle. If necessary, the employee should submit a travel request to receive reimbursement for mileage.

**RENTAL VEHICLES**

Effective October 1, 2017, ECU Central Motor Pool will no longer be using state vehicles for daily/weekly/monthly rentals through ECU Parking. These rental reservations will now be made utilizing the North Carolina Department of Administration's State Term Contract 975B, please go to: https://parking.ecu.edu/enterprise-rentals/; or contact by e-mail: Parking and Traffic PARKING@ecu.edu; or by phone: 328-6294. They have an instructional PowerPoint available on the new rental car process.

Rental vehicles are allowed in some situations and do require pre-travel approval within ECU’s Travel System. Information about rental vehicles can be found at https://parking.ecu.edu/enterprise-rentals/ and in the ECU Travel Manual. Information about fuel for rental vehicles can be found at https://parking.ecu.edu/enterprise-rentals/ and in the ECU Travel Manual. When purchasing fuel, the cardholder should include the approved travel request and the rental car reservation confirmation with their expense report documentation.

**TRAVEL VIOLATIONS**

ProCard holders, approvers and department/division heads play a critical role in closely monitoring and reviewing all transactions to ensure that no unauthorized charges are added and to correct any issues before the expense reports are due to the ProCard Office. Travel violations may result in the traveler being required to pay out of pocket and go through the reimbursement process for all future travel expenses. Cardholders violating State or ECU purchasing policies will receive an emailed notification of the violation with a copy sent to their supervisor. Second violations will be copied to the department head’s attention. Third violations will be subject to cancellation of card privileges. Intentional abuse of the card will be grounds for immediate cancellation of card privileges and possible termination of employment as stated in the card use agreement.
VENDORS

It is the cardholder's responsibility to ensure that purchases are made only from legitimate companies. The vendor may or may not appear on the ECU Vendor file. It is not necessary for the vendor to be on this list – please do not request a Banner vendor number for card use with the vendor. If you have any questions about the legitimacy of a vendor or individual, DO NOT PROVIDE YOUR CARD NUMBER. The cardholder is responsible for purchases made that commit the University and is therefore responsible for determining the legitimacy of the purchase and the selection of the vendor.

If the vendor is not on state contract and is not a current ECU Vendor, the cardholder is required to check the NC debarred vendors list before purchasing any items. The NC Debarred Vendor list can be found at NC Debarred Vendors.

VENDOR LIMITATIONS

All vendors accepting VISA cards are registered with their bank under a specific Merchant Category Code (MCC) identifying the type of business that they are (i.e. airlines, music stores, medical services, florists, ABC stores, restaurants, office supplies, etc.). The University has blocked all categories deemed inappropriate for ECU use such as Travel and Entertainment categories, ABC stores, off-track betting, etc.

Your ProCard cannot be used to purchase from vendors that fall under a blocked category on the MCC list. If your card is not accepted by a vendor, please contact the ProCard Office within 24 hours. The ProCard staff will determine why the charge was denied and what can be done to rectify the problem.

Transactions are monitored daily by the ProCard Office for possible misuse and abuse of the card or fraudulent charges.

Purchases from campus storerooms (Central Stores, Medical Storeroom) are not allowed as they are not VISA vendors.
