

# ECU Financial Services

Issue 2

April 4, 2018

A monthly newsletter by the Office of Systems Coordination

[www.ecu.edu/syscoord](http://www.ecu.edu/syscoord)

## What's new?

Financial Services has updated the [ECU Spending Guidelines](#), effective March 29, 2018. Click [here](#) to view the summary of the changes.

Financial Services is in testing mode of the Banner 9 version that will be implemented in the fall. Training will be available to all Banner Finance users before the Banner upgrade is moved over to production. Please look for training information in upcoming issues of the monthly Financial Services newsletters.

## Financial Services Workshop

The 2018 Financial Services Workshop was well attended and very informative. Click [here](#) to complete a brief survey about the workshop. Your thoughts and suggestions are needed. The two day schedule allowed many more Banner Finance users to attend; therefore, the 2019 workshop has been scheduled again for two full days. Save the date: Tuesday, March 19,

## Introduction to FS Processes

The training session, "Introduction to Financial Services Processes" has been popular for new Banner Finance users as well as long-time users. The training document has been revised and can be downloaded by clicking [here](#). This training session is scheduled monthly and registration is available on [Cornerstone](#). Upcoming training dates:

Thursday, April 12th
