POS Rental Program

ECU's Point-of-Sale (POS) Rental Program allows campus departments to utilize a university owned Cellular POS Terminal for a pre-defined period of time, without the financial burden of purchasing a POS Terminal.   There is a $10 per day, per device rental fee plus a 3% fee based on the total dollar transaction amount. The rental devices are frequently used at fundraising events (5Ks, Golf Tournaments, etc.).

To request/reserve a rental device, submit a ticket here: https://ecu.teamdynamix.com/TDClient/1409/Portal/Requests/ServiceDet?ID=24780
