

## 2023 Financial Services Workshop Update

Thank you for attending the 16th Annual Financial Services Workshop. The guest speakers and presenters provided a magnitude of information. Hopefully, the workshop attendees gained knowledge that will make them more successful in their routine responsibilities. It was exciting to be face-to-face again. Click [here](#) to visit the workshop website and view the daily video recordings, breakout session handouts, and other related information. Preliminary planning is now in place for the 2024 Workshop and Financial Services requests your feedback. Please click [here](#) to complete the brief survey.
