What documentation needs to be scanned into Xtender?

- Scan in the receipt, check, and any written correspondence.
- Banner screens do not need to be scanned. (See example at the end of the instructions).
- **All Personal Identifying Information (PII) such as social security numbers, checking/saving accounting numbers, etc. MUST BE REDACTED.**
  
  - The best way to redact is to:
  1. Cross out PPIs with white-out or a redacting pen.
  2. Make a copy of the document.
  3. Scan the copied document.

10. A box will pop up asking if you agree to terms, answer accordingly to continue.
11. Once your request is submitted AND approved by your supervisor, it may take up to a week for access to be granted. Your supervisor will receive a notification to approve once your request is submitted.

**Locating the document number:**

To scan the documents into Xtender you will need to have the document number, receipt number, document type, and department. The document number begins with a “K” and is assigned by the cashier’s office. The document number can be found by multiple methods after the cashier’s office has processed the deposit (see below). Please note, several receipts may have the same document number.

a. Method 1 – *Banner 9 Admin Pages*
   i. Go to https://banner.ecu.edu/.
   ii. Select “Banner 9 Admin Pages” and login (should be your pirate id and user name).
   iii. In the search box type “FGIBDST”
   iv. In the Index field type the Fund associated with the receipt.
   v. Press “Go” in the top right-hand corner.
   vi. Highlight the associated account and press F3.
   vii. Find the associated deposit on the list and record the document number (K document)
b. Method 2 - *Self-Service Banner*
   i. Log into Pirate Port.
   ii. Select “Banner Self Service”
   iii. Select “Finance”.
   iv. Select “ECU Budget Queries”.
   v. Press “Create Query”.
   vi. Make sure all boxes are checked and Press “Continue”.
   vii. In the Index field enter the Fund number and set fiscal period to “14” and be sure “Include Revenue Accounts” is checked
   viii. Press “Submit Query”
   ix. Click on the associated account in the “FYxx/PD14 Year to Date” column
   x. Find the associated deposit on the list and record the document number (K document)
