Accounts Payable Training

Accounts Payable does not have a required training session; however, payment instructions are demonstrated in several trainings. The following training classes are recommended for users that work payment transactions.

**ECU Banner Finance Training for New Users**
The online training course will introduce new users to Banner Finance. The thirty-minute video covers financial topics such as the chart of accounts (called FOAPAL), fund types, and rule class codes. This video also demonstrates basic navigation in Banner Self Service as well as Banner 9 Admin Pages. This training is required prior to a user requesting Banner Finance Security. **Financial Monthly Departmental Review Training**
This training session will demonstrate each step of the University's Monthly Departmental Review of Financial Transactions Guidelines. Detailed instructions will be provided to retrieve the financial reports. Transaction examples will be reviewed including cash receipts, expenses, encumbrances, and payroll. Departmental documentation requirements and a completion log will also be reviewed. The Monthly Departmental Guidelines have been developed to meet the UNC SO Business Process Standards.
