This payment deferral can only be used for the deferral term listed above and will not be approved if there is a previous term balance. If approved, this deferral will allow you to attend classes while you secure the funds needed to cover the balance due. Please keep in mind that this service can be revoked at any time for any reason. **If your student account has not been paid in full by the date listed above (whether by VA funds or other funds), you will have a balance hold placed on your account. The balance hold will prevent you from registering for future classes or making changes to your class schedule. When the balance has been paid in full, the hold will be removed.** Please note that your student account will still reflect the balance owed for the semester, therefore you will receive billing statements until the balance is paid in full.
